ORDER OPTIONS

You may mix different apparel styles to complete the selected minimum. Final pricing may vary based on sizes, personalization, and artwork requirements.

01 / HOW TO START YOUR ORDER

A non-refundable **\$80 deposit** is required before design work begins. This deposit reserves your place in our work queue and is credited toward the total order.

- No free designs, samples, or mockups are provided before the deposit is received.
- Initial artwork development takes approximately 3 to 4 business days, depending on the current design queue.
- The remaining balance must be paid in full before production begins.

02 / PRODUCTION OPTIONS

STANDARD	Approximately 3 to 4 weeks after final approval and full payment.
RUSH	Approximately 2 weeks, when available, for an additional \$50 fee.

Turnaround times are estimates and may vary due to order volume, shipping, holidays, or other circumstances outside our control.

FROM CONCEPT TO PRODUCTION

Clear artwork and revision requirements help us deliver a professional design within the expected timeline.

03 / INCLUDED DESIGN SERVICE

Your order includes one original design concept and up to **two revisions**. Revisions cover reasonable adjustments to the concept, such as colors, text placement, or minor elements.

- A completely different concept or major redesign is not considered a revision.
- Additional revisions are **\$10-\$15 each**, depending on complexity.

04 / CLIENT ARTWORK & ARTIFICIAL INTELLIGENCE

Submitted artwork must be high resolution and suitable for professional AOP production. AI-generated images, screenshots, mockups, low-resolution graphics, and flattened images are normally not production-ready.

AI artwork redesign or correction	Starting at \$20
Recreation of incomplete or unusable artwork	Starting at \$25
Custom logo creation	Generally \$50-\$65

**WHY A MOCKUP
IS NOT ENOUGH**

AOP production requires separate panels with correct measurements and high resolution for the front, back, and sleeves. We will review your artwork and confirm any applicable charges before proceeding.

05 / INDIVIDUAL PERSONALIZATION

All pieces in the order must use the same main design. Names, numbers, flags, logos, sleeve changes, or other personalized elements may carry an additional charge. Major changes that require rebuilding the design will be quoted separately.

PROTECTING YOUR ORDER

REVIEW. APPROVE. THEN WE PRODUCE.

Final approval protects the accuracy of your custom order and authorizes us to begin production.

06 / CLIENT APPROVAL

Before approving the design, the client must carefully review all names, numbers, spelling, colors, sizes, logos, and placement of all elements.

AFTER FINAL APPROVAL	No additional changes can be made to the design.
	The order cannot be canceled and payments are non-refundable.
	413 Kustoms is not responsible for errors previously approved by the client.

07 / IMPORTANT INFORMATION

- Colors may appear different on digital screens. Minor variations in sublimation and manufacturing are normal and are not considered defects.
- Massachusetts sales tax will be added when applicable.
- Shipping or delivery charges are not included unless specifically stated in your quote.

DEPOSIT = ACCEPTANCE

By submitting your deposit, you confirm that you have reviewed, understood, and accepted these prices, terms, and policies.
