ORDER OPTIONS

Styles may be combined to meet the selected minimum. Final pricing may vary based on sizes, personalization and artwork requirements.

01 / STARTING YOUR ORDER

An \$80 non-refundable design deposit is required before design work begins. It reserves your place in our design queue and is applied toward your order total.

- No free designs, samples or mockups are provided before the deposit is received.
- Initial design turnaround is approximately 3-4 business days, depending on the current queue.
- The remaining balance must be paid in full before production begins.

02 / PRODUCTION OPTIONS

STANDARD	Approximately 3-4 weeks after final approval and full payment.
RUSH	Approximately 2 weeks, when available, for an additional \$50.

Turnaround times are estimates and may be affected by order volume, shipping, holidays or other circumstances beyond our control.

DESIGN STANDARDS

FROM CONCEPT TO PRINT-READY

Clear artwork and revision rules help us deliver a professional design while keeping your project on schedule.

03 / INCLUDED DESIGN SERVICE

Your order includes one original design concept and up to two revisions. Revisions cover reasonable adjustments to the approved concept, such as colors, text placement or minor design elements.

- A completely different concept or major redesign is not considered a revision.
- Revisions after the two included rounds cost \$10-\$15 each, depending on complexity.

04 / CUSTOMER & AI ARTWORK

Submitted artwork must be high-resolution and suitable for professional AOP production. AI images, screenshots, shirt mockups, low-resolution graphics and flattened images are usually not production-ready.

AI redesign or correction	Starting at \$20
Recreation of incomplete or unusable artwork	Starting at \$25
Custom logo creation	Generally \$50-\$65

WHY A MOCKUP ISN'T
ENOUGH

AOP production requires separate, properly sized, high-resolution panels for the front, back and sleeves. We inspect submitted artwork and confirm any recreation fees before proceeding.

05 / INDIVIDUAL CUSTOMIZATION

All garments in an order must use the same primary design. Individual names, numbers, flags, logos, sleeve changes or other personalized elements may require an additional fee. Major changes that require rebuilding the design are quoted separately.

ORDER PROTECTION

REVIEW. APPROVE. THEN WE PRODUCE.

Final approval protects the accuracy of your custom order and gives production a clear green light.

06 / CUSTOMER APPROVAL

Before approving the design, the customer must carefully review all names, numbers, spelling, colors, sizes, logos and design placement.

AFTER FINAL APPROVAL

No additional design changes can be made.

The order cannot be canceled and payments are non-refundable.

413 Kustoms is not responsible for errors previously approved by the customer.

07 / IMPORTANT INFORMATION

- Digital screens may display colors differently from the finished garment. Minor sublimation and manufacturing variations are normal and are not considered defects.
- Massachusetts sales tax will be added whenever applicable.
- Shipping and delivery charges are not included unless specifically stated in your quote.

DEPOSIT = AGREEMENT

Submitting your deposit confirms that you have reviewed, understood and accepted these pricing terms and policies.
